

## 20 ways to go Green in TCF Center

1. Investigate TCF Center's Green certifications. They outline the operational structure for sustainability
2. To save time in your RFP, simply mail your questions about Green Events in TCF Center to [green@tcfcenterdetroit.com](mailto:green@tcfcenterdetroit.com)
3. Use TCF Center's website to find sustainable transportation options and walkable local attractions [tcfcenterdetroit.com](http://tcfcenterdetroit.com)
4. TCF Center has 180 recycling stations. Have some placed strategically throughout your event spaces, especially on the closing day
5. TCF Center will supply a post-event sustainability report that meets the requirements of your Green Event sponsors
6. Use signage without dates to promote re-use
7. Use online event service order forms on the TCF Center website to reduce paper waste
8. Distribute event information online or in digital format
9. Make sure attendees place waste in compost containers located in all food courts
10. Generate less paper waste by using TCF Center's digital signage to announce sponsors, direct attendees and announce agendas
11. Work with TCF Center's chef to source food locally and sustainably
12. Request unserved food from your event be donated to Forgotten Harvest, a local food redistribution agency (48.8 million pounds of food last year)
13. Publicize TCF Center's sustainability practices to your attendees and encourage participation
14. TCF uses compostable food containers and utensils making food outlet waste 100% compostable or recyclable
15. Your sponsor can underwrite a coffee break with their logos on compostable cups
16. Include a sustainability slide show at the entrance and exit of your event and let attendees know how they can be a part of it
17. Recycle badge holders to local charities and declare to attendees with signage
18. Inclusivity is sustainability. Work with your event manager to insure attendees special needs are met during your event
19. Work with your event manager to create Detroit area walking tours for attendees to encourage walking as transportation
20. TCF Center supports the use of bicycles as attendee transportation
