

## TCF Center Human Trafficking Policy

**TCF Center is committed to creating an environment that is free from human trafficking for employees, customers, visitors, and the local and event communities.**

TCF Center security is part of a task force comprised of representatives from all safety and security agencies in Detroit, the state of Michigan and the federal government. This task force includes the Detroit Police Department, Detroit Project Lighthouse, the Wayne County Police, Oakland County Police, Macomb County Police, Michigan State Police, FBI, U.S. Customs and Border Patrol, Homeland Security, U.S. Coast Guard and other interested parties. By leveraging technology resources, information and personnel records, a cooperative surveillance effort exists across the city 24/7/365.

### Hoteliers

All hotel partners of TCF Center are expected to provide training to employees to spot human trafficking, have a zero tolerance policy and work with local law enforcement and TCF Center reporting all suspicion of human trafficking concerning shared interests.

### Suppliers

TCF Center expects all suppliers to uphold the standard of zero tolerance of human trafficking in all of their dealings with the venue, report suspicious activity while in the building and know the warning signs of people who may be in the venue that are enslaved by a human trafficking ring.

### Employees

Employees of TCF Center are expected to complete training in human trafficking awareness and work with the Human Resources Department to report any suspicious activities or persons related to human trafficking immediately.

### Visitors

All visitors in TCF Center will be treated with respect and dignity, and given the resources needed for them to identify, report and survive occasions of human trafficking.

- TCF Center condemns all forms of human trafficking and the commercial sexual exploitation of children. Zero tolerance of human trafficking in any form is enforced in TCF Center
- Working closely with the FBI and other law enforcement agencies during events in TCF Center, all evidence understood as referencing services that may involve human trafficking is given over for further investigation
- TCF Center scans all major social media platforms for posts that may link to sex trafficking organizations during major events and sends copies of them to the FBI
- Several sex trafficking arrests have been made based on evidence that the TCF Center team passed along to the FBI during major events
