What matters to you? Value? Service? Sustainability?
A positive voice guiding you every step of the way?
We get it. This city and center have been reinvented for you.

DID YOU KNOW

The Grand Riverview Ballroom is 40,000 square-feet with floor to ceiling views of the Detroit Riverfront and over 200,000 square-feet of flex space.

- + 723,000 square-feet of exhibit space.
- + More robust technology, with free WiFi and enough connectivity for 30,000 simultaneous users.
- + Spectacular outdoor video walls – three times as large as conventional billboards.
- + An in-house broadcast studio with a soundstage and satellite uplink to distribute your meeting content to stakeholders.

FEEL GOOD ABOUT MEETING

Owned by the Detroit Regional Convention Facility Authority and operated by SMG, the 2.4 million square-foot complex has one of the best views in the city of the Detroit Riverfront, which was just named one of the world's best city walks by The Guardian. After your meeting, take a walk along the majestic 3.5 mile Riverwalk and wave to our Canadian neighbors to the south, on the other side of our shore.

GRAND RIVERVIEW BALLROOM

Equipped with a lift stage for dramatic introductions, the 40,000 square-foot ballroom is dividable with a retractable wall and complemented by a glass-enclosed, pre-function space and an open-air terrace overlooking the Detroit River and the skyline of Windsor, Ontario. The Grand Riverview Ballroom has a 3,500 theater seating capacity, 2,250 banquet seating capacity, or will hold 4,500 for a reception. Used for banquets, weddings, award ceremonies, dinners, political conventions, media presentations and a myriad of other functions, the new Cobo Center Grand Riverview Ballroom undoubtedly enhances the events it hosts.

COBO CUISINE

Our professional chefs serve up award winning recipes with locally sourced ingredients daily from the new state-of-the-art 8,000 square-foot kitchen. Equipped with a private tasting room, customers can work with the Cobo Center culinary team to develop custom menus for their events.

The food offerings include Cork & Grind that serves coffee, wine, and small plates. Go natural with fresh offerings prepared daily at the Made in Detroit Food Court, that includes burgers, pizza and a deli in the City View Lounge with full views of the downtown scene just steps away. Food and beverage catering services are provided by Centerplate, the exclusive caterer for Cobo Center.

COBO SQUARE

The new 24,000 square-foot outdoor space is designated for programming such as exhibits, exercise and yoga, biergartens and other elements designed to connect Cobo Center to the community and the downtown Detroit culture. When combined with the outdoor terrace that wraps around the building and offers great views overlooking the Detroit Riverfront, the total outdoor flex space is 45,000 square-feet.
